

The Garber Family Hosts Polo Gala to Benefit Boys and Girls Club of Palm Beach County

Simon and Elina Garber hosted their first PoloPalooza gala benefitting the Boys and Girls Clubs of Palm Beach County on April 17. The Garber family are dedicated to philanthropy and polo and have married the two passions with exhibition matches at their private polo fields in Wellington and Colts Neck, NJ among other international locations. PoloPalooza was highlighted by an exhibition match between competing teams SLS Jets and Yellow Cab with Simon Garber and sons, Tyler, Jeffrey and Shaun, playing alongside celebrity players Nicolas Roldan, Juan Velarde and Martin Estrada and coach Dario Garcia.

Guests were treated with gourmet delights and the 50 Boys and Girls Club children enjoyed activities including a special animal presentation by McCarthy's Animal Wildlife and gifts courtesy of Aristokids.
